for the period of October 25th, 2015 to October 24th, 2016
(Reference: Invoice # SPG14-062)

Description	Price	Quantity	Total
Annual Maintenance for GeoTime Single (Nodelocked) License	\$425.00	1	\$425.00
		Subtotal	\$425.00
		Total (USD)	<u><u>\$425.00</u></u>

Terms and Conditions.

- 1) **Pricing:** Prices are in U.S. Dollars and are subject to change without notice unless otherwise stipulated in the quote.
- 2) **Entire Order:** Prices quoted are based upon fulfillment of the entire order. Any changes are subject to a revised quotation.
- 3) **License:** The standard Uncharted Software Inc. software license agreement which govern this purchase can be found at the following internet address: <http://geotime.com/Company/GeoTimeSLA.aspx>
- 4) **Delivery:** All software and licenses are fulfilled via electronic download. A "Physical DVD Media" add-on is available at additional cost.
- 5) **Taxes:** All federal and local sales taxes, levies, and duties are in addition to the pricing quoted.
- 6) **Maintenance:** Annual maintenance is required in the first year and is 17% of the license fee. Customers under maintenance subscription receive new releases of the product that include enhancements, optimizations, and defect fixes. If maintenance is declined in later years and then subsequently requested, all skipped maintenance periods must be paid in full in order to receive new releases and to incorporate maintenance support.
- 7) **Support:** User and technical support is provided on a fee for service basis.
- 8) **Validity:** This quote is valid for 90 days.
- 9) **Transfers:** License transfers within an organization are subject to an additional charge.

10-1

- 10) **License Server:** For floating licenses, customer is responsible for providing and maintaining the Windows license server machine and for network connectivity from each user to the GeoTime license manager server on the Windows license server.
- 11) **Integration:** Integration services are provided on a fee for service basis.
- 12) **Training:** Training is via web service. On-site training is available for an additional fee.
- 13) **GeoTime® Call Record Tool (CRT):** The GeoTime® Call Record Tool (CRT) is a software product of Uncharted . The CRT product is licensed annually and is provided co-terminus with GeoTime maintenance. CRT is updated regularly for changes in Telco call detail record formats. Due to constantly changing call detail record formats Uncharted does not warranty that the product is current for a particular specific call detail record at any point in time. Customers should regularly update the software prior to creating reports. The CRT software product expires every four months due to these constantly changing call detail record formats. After expiry the CRT software product will not function and Customers must perform a new download to again use the product. Customers are required to renew GeoTime maintenance and CRT to continue to use the CRT software product in succeeding years.
